See application file for complete search history.

DESCRIPTION

FIG. 1 is a right side top perspective view of the multi
chambered whistle.

FIG. 2 is a left side front perspective view of the multi
chambered whistle.

FIG. 3 is a right side bottom perspective view of the multi
chambered whistle.

FIG. 4 is a front end plan view of the multi chambered
whistle.

FIG. 5 is a top plan view of the multi chambered whistle.

FIG. 6 is a bottom plan view of the multi chambered whistle.

FIG. 7 is a right side plan view of the multi chambered
whistle; and,

FIG. 8 is a left side plan view of the multi chambered
whistle.

The drawings show both wire frame contour lines and
surface shading lines. It is understood that all of the con-
tinuous solid lines in the drawings represent wire frame
contour lines.
