Albert Einstein

Discovery of the photoelectric effect **(1905)**

Einstein mass-energy equation **(1905)**

Einstein (Debye-Einstein) equation
for specific heat, **Einstein** temperature **(1907)**

Stark-Einstein law of photochemical
equivalence **(1912)**

Einstein-Smoluchowski equation **(1908)**

Bose-Einstein statistics **(1924)**

Special theory of relativity **(1905)**

General theory of relativity **(1915 - 6)**

Light quanta, photon concept **(1905 - 6)**

Einstein unit of light flux
